

PRESS RELEASE

Adisseo Announces Organizational Changes

Promotions

Adisseo announced that starting in January 2020, **Guy Harari**, former **General Manager** of the North and Central America Region, is taking on new global responsibilities for the France based company. Harari has been promoted to **Senior Global Director**. During his 37 years with Adisseo, Harari has occupied a series of strategic and management roles and will now be joining the decision-making group responsible for the continuous growth of the company.

The role of Senior Global Director will include three strategic areas: development of medium and long-term strategies for key countries, merger and acquisitions projects in the Americas, and scouting new technologies and startups in the Americas in the animal nutrition space.

Regional restructuring

As of January 1, 2020, the former North and Central America (NCA) region has been split into two parts. The North America region (NA), consisting of the United States and Canada, will be led by **Jeremy Painter, North American Regional Director**. The Latin America region (LA), consisting of Mexico, Central America, South America, and the Caribbean will be led by **Roger Solitao, Latin America Director**.

About Adisseo

Adisseo is one of the world's leading experts in feed additives.

The group relies on its 10 research centers and its production sites based in Europe, USA and China to design, produce and market nutritional solutions for sustainable animal feed. With more than 2,200 employees, it serves around 3,900 customers in

over 110 different countries through its global distribution network. Adisseo is one of the main subsidiaries of China National BlueStar, leader in the Chinese chemical industry with nearly 21,500 employees and a turnover of 9,3 billion USD.

Adisseo is listed on the Shanghai Stock Exchange.
